Dear Alumni Association Officers:

The Mississippi State University Alumni Association Chapter Officers’ Handbook is designed to assist you in planning and carrying out chapter programs and activities. It will also help you become familiar with the responsibilities and duties of your office, and those of other chapter officers and committee chairpersons. This handbook is designed to help you work together to make your chapter function smoothly.

Recognizing the need to communicate on a regular basis at the "grass roots" level, the Mississippi State University Alumni Association has 94 chartered alumni chapters throughout the United States, and a chapter in South Korea. You are Mississippi State University in your community and your chapter has the opportunity to keep alumni and friends informed and up to date, assist in recruiting students, and encourage others to support and help make a positive impact at Mississippi State University. The interest you stimulate, the service you provide, and the information you collect and disseminate helps the university, the community and the chapter members.

Because the chapter is a volunteer organization and the time you and other members can spend is limited, it is extremely important that each officer carry his/her share of the responsibility. Your chapter will be successful if each officer reviews this handbook carefully and follows the procedures.

Your Alumni Association welcomes any suggestions on ways we can provide more effective or better service to alumni chapters and their leaders, as well as comments on this Chapter Officers’ Handbook. If items discussed are not as clear as they should be, or if we have failed to include enough information on a particular subject, let us know and we will attempt to correct the problem.

All Alumni Association staff members are able and eager to assist in any way. A list of current staff members appears on page 25 of this manual.

We wish each chapter officer success in his/her chapter responsibilities, and we stand ready to assist and advise in every way so that your role is enjoyable and satisfying. Chapter leaders are our strongest allies in support of the university.

Thank you for your leadership, commitment, and service to the Alumni Association and Mississippi State University.

Sincerely,

Jeff Davis
Executive Director, MSU Alumni Association
History and Mission

History
The Mississippi State University Alumni Association was founded June 17, 1885, by the first three graduating classes of what was originally Mississippi A&M College. The association’s purpose was simple: “…perpetuating the memories of college life in a manner that would bind…the classes of different years in sympathy and harmony and strengthen by union the good influence the College might exert through her graduates.” For more than a century, the Alumni Association has been the link connecting graduates and other former students with the institution they love.

Mission Statement
The mission of the Mississippi State University Alumni Association is to foster lifelong support for the university’s mission through programs, activities and events for its alumni, future alumni and friends who are forever maroon and white.

Goals

- Foster mutually beneficial lifelong relationships by enhancing networking of alumni, future alumni and friends.
- Understand and actively promote a positive image of MSU and the Alumni Association.
- Maintain an evolutionary Alumni Association with a vision to address an ever changing environment.
- Build and maintain human and financial resources that strengthen the association’s ability to accomplish its mission.
- Maintain a commitment to service.

National Organization

The National Board of Directors sets policy and has full administrative authority for the Alumni Association. The national officers who compose the National Board of Directors are elected each year at the Leadership Conference by the active membership. The offices and the duties of each office are defined in the Constitution and Bylaws.

A. The National President: serves as the chief spokesperson and presides at all meetings of the board, the association and the Executive Committee of the board. The president represents the association at various functions throughout his/her term.

B. The National First Vice President: presides in the absence of the national president and otherwise represents the president when necessary.

C. The National Second Vice President: presides in the absence of the above two officers and is responsible for assisting in chapter organization and filling vacancies as they occur.

D. The National Treasurer: countersigns all checks issued by the executive director of the Alumni Association, sees that the books are audited annually, and advises the association in all financial matters. The treasurer makes financial reports at all meetings, keeps the national president informed regarding fiscal affairs, and is responsible—in cooperation with the executive director of the Alumni Association—for preparation of the budget.

E. The Immediate Past National President: serves on the board during the year immediately following his/her presidency.
F. **The Executive Director of the Alumni Association:** appointed by the Board of Directors in cooperation with the vice president for development & alumni. The executive director manages the day-to-day activities of the association, supervises the office staff, directs the alumni programs, and serves as an ex officio member of the board.

G. **Other Members of the Board of Directors:** The other Board of Director seats are based upon population as outlined in the MSU Alumni Association Bylaws. Maps of the regions for each corresponding director’s seat can be seen on the alumni association website: alumni.msstate.edu.

Keeping a Chapter Strong

The first requirement for a successful alumni chapter is strong, dedicated leadership. The chapter must be certain that capable officers are chosen—people who will dedicate time to initiate, plan and promote a variety of activities that will appeal to Mississippi State alumni and friends in the chapter area. Chapter leaders should be able to work well with all people, be imaginative and enthusiastic, and have administrative ability. The chapter must ensure that qualified candidates are nominated before each election. The recruitment of new leaders is particularly critical if a chapter is to remain vital and is to represent everyone in the chapter area. Prior to electing officers, a nominating committee should be appointed which will choose the candidates and verify their willingness to serve if elected by the chapter.

The second key to chapter success is organization. This calls for teamwork and the delegation of responsibilities. One person need not, cannot and should not do it all. In addition to chapter officers, a host of volunteers should be called on to help.

Finally, interesting meetings are the heart of the chapter's activities. Please the audience and pick quality meeting places, plan thoughtfully, formulate an agenda for the meeting, and make those who attend feel welcome.

Chapter Officers and Responsibilities

The term of office for each chapter officer is typically January 1 through December 31.

A. President
   • Ensures that the Constitution and Bylaws of the association are upheld by the chapter.
   • Represents Mississippi State University in the chapter area.
   • Presides at all chapter meetings.
   • Serves as an ex officio member of all chapter committees.
   • Assumes responsibility for the success of each chapter activity and project.
   • Attends the Leadership Conference.
   • Coordinates all chapter mailings with the Alumni Association.

B. Vice President(s)*
   • Performs the responsibilities of the president in his/her absence or inability to do the job.
   • Assists the president in the fulfillment of his/her responsibilities.
   • Attends the Leadership Conference.

C. Secretary-Treasurer**
   • Takes the minutes of all chapter meetings and reports news items about chapter alumni to the Alumni Association.
   • Develops and maintains an up-to-date chapter membership list, notifying the Alumni Association of any changes, additions or deletions.
   • Maintains chapter funds, pays obligations and keeps a record of all chapter financial transactions.
   • Attends the Leadership Conference.
D. Chapter Board of Directors

- Composed of current officers, the past president, committee chairpersons, and other alumni and friends. (The number on the board is not the most important factor—the quality of the board will determine its success or failure.)
- Responsibilities:
  - Adopts policies which are consistent with university, association and chapter regulations.
  - Develops overall plans for chapter activities, programs and services.
  - Approves expenditures from the chapter treasury.
  - Develops overall plans for and assists in carrying out membership drives.
  - Assists in making prompt appointments to fill vacancies in chapter offices.
  - Encourages participation in chapter activities.

* In some chapters, the vice president assumes the role of Membership Chairperson or Program Chairperson.
** Some chapters have separate offices for each.

Chapter Committees

Chapter presidents should consider appointing chairpersons for the committees listed below to ensure as much involvement as possible by local alumni and friends of Mississippi State University. More volunteers working with the chapter leadership make for a stronger chapter.

A. Membership

- Plans, organizes and conducts campaigns that will give every former student, as well as non-alumni friends of Mississippi State University, an opportunity to become an active member of the Alumni Association through the MSU Foundation or Bulldog Club.
- Works with the secretary/treasurer to continually plan for the local chapter.
- Chairperson should attend the Leadership Conference.

B. Student Recruiting

- Assists the Alumni Association and the Office of Admissions and Scholarships in recruiting high school and community college students.
- Works with chapter officers to develop a student recruiting plan for the local chapter.
- Chairperson should attend the Leadership Conference.

C. Publicity

- The purpose of the Publicity Committee is to work with local news media (newspaper, radio, and television) to publicize chapter meetings and activities.
- Send to the Alumni Association notes of interest (press clippings of promotions, awards, obituaries, etc.) and stories about local alumni for possible publication in the Alumnus magazine.
- Chairperson should attend the Leadership Conference.

D. Other Suggested Committees

- Scholarship
- Alumni Awards Recognition
- Program
- Community Service
- Young Alumni
Chapter Meetings

Mississippi State University's policy and the policy of the National Alumni Association is to avoid discrimination in any way on the basis of age, color, disability, handicap, national origin, race, religion, sex, or status as a veteran or disabled veteran. Meetings should not be scheduled for any location, time, or day which exhibits a discriminatory effect on participation.

The success of any chapter meeting will depend on many things. Enthusiasm is contagious. A successful alumni chapter meeting is one from which those in attendance leave with a better knowledge of Mississippi State University, enhanced by renewed interest, pride and kinship with fellow alumni.

A. All meetings and speakers must be coordinated through the Alumni Association.

B. Choose the best date. There is no perfect date, but in choosing one, be as certain as possible that the meeting is not in conflict with a holiday or special local event, etc.

C. A reasonable cost is essential to good attendance. It has been proven time after time that the higher the price of admission, the lower the attendance. Make the event affordable to all alumni and friends in the area. Solicit sponsors to assist with expenses.

D. The Alumni Association will work with each chapter in every way possible to provide a speaker(s) for one meeting annually. Each chapter is encouraged to have an additional activity outside this meeting, such as family picnic, athletic radio/television party, etc. Please note that the president of the university, the athletic director, and all head coaches have extremely tight schedules and can attend only a limited number of meetings. It is extremely important that a chapter does not contact a university speaker concerning a chapter meeting. The Alumni Association Office will do this for you.

E. In addition to the notice and mass e-mails sent by the Alumni Association, information about the meeting should be given to the local news media and publicized through social media (Facebook, Twitter, etc.).

F. A Telephone Committee should be established to call the local membership approximately one week prior to the event. Chapter officers may request a list of alumni in their area by contacting the Alumni Association.

G. The Alumni Association will provide the chapter with information on the speaker(s) to ensure a good introduction, name tags, a chapter event report, and information brochures about the Alumni Association and the university.

H. A checklist which can be used by a chapter president to plan for a successful chapter meeting is included in this manual (see page 11).

I. A chapter meeting should have an agenda (see page 10).

J. There are several types of chapter meetings/events to plan during the year. Consider trying different meeting formats during the course of the year (see page 10).

K. Start and end the meeting on time.
Chapter Meeting Sample Agenda

1. Welcome (be sure to introduce yourself).

2. Invocation (delivered by a member of the chapter).

3. Dinner (May be switched with item No. 2 if a buffet line, rather than a served dinner, is the format).

4. Introduction of special chapter guests. (Does not include university guests. See item No. 6.)

5. Chapter business.

6. Introduction of and remarks from the Alumni Association representative. This person will introduce all university guests in attendance.

7. Introduction of speaker or program (handled by the chapter president or another chapter member) from biographical information provided by the Alumni Association.

8. Announcements of upcoming events and drawings for door prizes, etc.

Types of Meetings & Events

A. Social/Dinner
   • Suitable for a more formal meeting.
   • Appropriate when there is a major speaker from the university.

B. Informal Reception
   • An opportunity for fellowship which does not necessarily need a program.
   • Young Alumni Social
   • A kickoff or follow-up for a university function such as an athletic contest or a community-sponsored event which may have a university official as a guest.
   • An initial event in an area of high alumni and friend concentration which provides an opportunity to identify individuals who are interested in helping.
   • A preliminary event before a more formal social/dinner.

C. Breakfast or Luncheon
   • Usually suited for a smaller group.
   • Can host speakers for specific topics — i.e. Lunch-n-Learn, Breakfast with the Bulldogs. A good opportunity for a board planning meeting.

D. Cookout, Barbecue or Picnic
   • A good event for the entire family.
   • Generally a spring or summer event.
   • An excellent opportunity to introduce young people to the Mississippi State family and spirit.
   • Does not require a university speaker.
   • Great to tie in with established groups in the community.
E. Other Activities
- Television game-watch party for a Bulldog athletic event.
- Bus charter to a Bulldog athletic event.
- Bus charter to an on-campus student recruiting event.
- Golf or tennis tournament with proceeds designated for a special purpose.
- Prospective student or honor student reception, dinner or party.
- Community service project (Salvation Army, Soup Kitchen, Adopt-a-Highway)
- Booth or table at local festival.
- MSU float in a parade.
- MSU Day at the park or zoo.
- MSU Birthday Party (on February 28)
- "Send-Off" Party (held in July and August for incoming freshmen, prospective students, parents and alumni)

**Chapter Meeting Checklist**

The Alumni Association should be notified of all details for the meeting at least six weeks in advance.

**Date of Meeting: ______________________________**

1. Checked with the restaurant or other meeting location to ensure that our meeting is scheduled on the above date.

2. Informed the restaurant or meeting location of expected attendance, and have made arrangements for a podium, public address system, and a head table for the appropriate number of persons.

3. Developed a program agenda and sent a copy to the Alumni Association prior to the meeting.

4. Notified one member of the chapter to be responsible for delivering the invocation.

5. Appointed a Decorations Committee to handle decorations at the restaurant or other meeting location.

6. Appointed a Telephone Committee to call seven days prior to the meeting all alumni within the chapter area who have not made reservations.

7. Selected the appropriate officers and/or special guests who will sit at the head table.

8. Made arrangements to either introduce the speaker or have a member of the chapter handle this duty.

9. Assigned a member of the chapter to handle publicity about the meeting (newspaper, radio, television).

10. Made arrangements to have name tags and a registration table set up at the meeting site.

11. Made arrangements to have an information table set up at the meeting site in addition to the registration table.
Chapter Mailings and Communication

Chapter communication is vital to the success of the alumni chapter. E-mail and mail notices announcing an upcoming event or e-newsletters containing information on several events or projects are the primary communication link between the chapter and area alumni. Take advantage of chapter communication to provide as much information as possible to alumni and friends in the chapter area.

Chapter Mailings Policy

A. The Alumni Association will bear the cost of two mailings per chapter, per calendar year, including printing and third-class postage (bulk)*. These notices will be sent to Mississippi State alumni and friends in the chapter area with valid addresses. Additional mailings will be provided by the Alumni Association at chapter expense.

B. Chapter-notice mailing requests should be made a minimum of six weeks before the meeting date. Lead time is extremely important to allow the Alumni Association sufficient time to process a meeting notice and also to allow ample time for interested alumni and friends to plan and respond to the notice. Requests should be made in writing (see Chapter Meeting Mailing Request on page 13). Telephone requests are discouraged because the probability of error is greatly increased.

C. The Alumni Association reserves the right to refuse any chapter mailing request not submitted six weeks in advance. The Alumni Association also reserves the right to charge the chapter the cost difference between third-class postage (bulk) and first-class postage if the meeting notice information is received less than six weeks before the meeting date.

D. The chapter may opt to develop an electronic newsletter instead of a mail piece and send it out to members of the chapter base with valid email addresses.

*Note: In order to qualify for standard rate postage (third class), each mailing must consist of at least 200 pieces. Therefore, exceptions to this policy will be necessary, particularly for chapters with small populations.

Chapter Email Policy

A. Email notices will be sent to all chapter members with a valid email address with the Alumni Association by the staff, with sufficient notice from the chapter.

B. The Alumni Association staff will determine the frequency of the email notices sent, so as not to send too many emails in one week.

Chapter Financial Management

All chapter income and disbursements should flow through a chapter checking account. Often, the monthly check record provided by the bank at which the chapter has its checking account can serve as the financial report. Chapter funds should not be kept in a personal account.

The MSU National Alumni Association cannot provide its tax exempt number to any chapter. Each chapter should apply for its own tax identification number, also known as an Employer Identification Number (EIN). The first step is to file with your state’s Secretary of State’s office to become a legal entity of your state. The next step is to complete the online form for obtaining a tax id number at www.irs.gov/businesses or by contacting the IRS at 1-800-829-4933.

Each chapter should be self-supporting and operate on a break-even basis.

Recommendations:

A. As a good practice, the chapter treasurer should submit a report at each chapter meeting or email a monthly statement to all chapter officers and board members, as well as the Alumni Association’s Chapter Program staff.

B. Chapter programs and events should generate enough income to avoid deficits. (A nominal amount may need to be added to cover meals of university guests.)

C. Chapters are entitled to receive a rebate for each active member. This is subject to meeting certain criteria. A request form is available to chapter presidents in October of each year and must be returned by the December deadline of the same year. Also, all chapter officers and committee chairpersons must be active members of the Mississippi State University Alumni Association.

D. Other sources of revenue may be drawings, auctions, merchandise sales, tournaments, etc. When conducting raffles, drawings, etc., the chapter should comply with various IRS reporting requirements.

E. If a chapter accumulates a surplus of funds in its account over and above its local operating costs, the chapter might consider:
   - Setting up a scholarship at the MSU Foundation which will be administered through the university's Office of Admissions and Scholarships.
   - Making a contribution to the university through the MSU Foundation or the Bulldog Club.
   - Sponsoring participation of one or more chapter officers at the Leadership Conference.
   - Sponsoring a sign at the town entrance or a local sports venue.
   - Sponsoring an event for local alumni and friends.

F. Donations or gifts directly to the chapter are not tax deductible, unless the chapter has applied for and received its own IRS 501©(3) status. This includes golf tournament sponsorships or registration, event sponsorships, or any donation to the chapter. Donations should flow through the MSU Foundation for tax credit to the donors.
Chapter Records Release Policies

The records maintained by the MSU Alumni Association represent confidential information about the graduates, former students and friends of MSU. In order to maintain the privacy of those individuals, the Alumni Association will not release any portion of those records except for use in programs planned by the association or university.

- The alumni records will not be supplied to any individuals or agencies except those involved in the planning and development of Alumni Association or MSU programs.
- Under no circumstances will the records of the MSU Alumni Association be sold or redistributed.
- All requests for use of alumni records must have the approval of the MSU Alumni Association.
- In every case, the confidentiality of the records must be maintained.
- No commercial or political use of the MSU Alumni Association is permitted without written consent of the Association.
- The MSU Alumni Association prohibits the use of alumni records for any fund-raising activity unless authorized by the Alumni Association and the Foundation/Annual Fund.
- Final authority in determining legitimate uses of the alumni records is given to the executive director.

Chapter Membership Development

One of the most important services which the local alumni chapter can perform for the Mississippi State University Alumni Association is membership development. It is critically important to increase the number of active members (contributors to the MSU Foundation or the Bulldog Club) for the Alumni Association to continue providing quality programs, publications and services to alumni and the alumni chapter. Alumni and friends who are active members of the Alumni Association become more informed about the university. They also are more likely to participate in programs and events sponsored by the Alumni Association and their local chapter. For information on the MSU Foundation, call 662-325-7000, or for information on the Bulldog Club, call 662-325-3074.

Ways to Assist in Membership Development:

- Select an energetic Membership Chairperson to conduct local membership campaigns to encourage alumni and friends of Mississippi State to be active members of the Alumni Association by making contributions to the MSU Foundation or Bulldog Club. This can be accomplished through personal contacts, phone-a-thons and letters. The Alumni Association will supply a list of all alumni and friends in the chapter, to use only for Alumni Association approved initiatives.

- Strive to exceed the chapter membership quota. The quota is based on the potential number of alumni in the chapter and the historical record of active alumni in the chapter. Membership reports are online (in PDF format) at [http://www.alumni.msstate.edu/chapters/members.htm](http://www.alumni.msstate.edu/chapters/members.htm).
- Update the addresses of all alumni and friends in the chapter who are shown on the membership list (see Chapter Record Updating below).

- Have membership applications available at all chapter meetings.

- All chapter officers and committee chairpersons must be active members of the Mississippi State University Alumni Association for the chapter to receive the chapter rebate.

**Chapter Record Updating**

In order to maintain alumni chapter records, a Membership Committee should be formed to continually update names, mailing addresses, email addresses, telephone numbers and spouse info. This committee should include people who have lived in the area for several years or who know the alumni well. It also should include alumni in a range of class years—the more people involved, the more names identified.

**Responsibilities of the committee are to:**

- Identify alumni on the chapter list who are still listed at their parents’ address but have moved elsewhere. Call the parents of these alumni to get new addresses and possible name changes.

- Check the names of alumni who are listed as “address unknown” on the chapter list. Look up these names in the local telephone book to see if they are still in the area or if a relative can be identified. Any new address taken from the telephone book should be verified with a telephone call to avoid confusing alumni with other persons of the same name.

- Gather information on alumni including full name, class year, home address, home, cell and business telephone numbers, e-mail address, major, degree, college/school, employer and spouse’s name.

- Report name changes of alumnae.

- Notify the Alumni Association of any alumni deaths as soon as possible. A dated copy of the obituary would be most helpful.

- Clip from the local newspapers any items relating to alumni such as marriages, job changes, promotions, and other pertinent activities.

- Send all clippings and record changes (including full names, if possible) to:
  Mississippi State University Alumni Association

  Mississippi State, MS 39762-5526

Chapter Scholarships

Alumni chapters are encouraged to sponsor and award scholarships to students from their local areas attending Mississippi State University. With ever-increasing fees and tuition costs, scholarships play a much larger role in higher education than ever before.

Scholarships can be fully endowed or funded annually. This is entirely the chapter's choice and is limited only by fund-raising abilities. Chapters that choose to establish an endowed scholarship are given the opportunity to have the fund named in honor of the chapter or in honor or memory of a special chapter member. An endowed scholarship can be established with a minimum contribution of $25,000, payable within a five-year period. Endowed scholarships are established in perpetuity, and additional contributions may be added to the principal after the $25,000 minimum is reached. Chapters that choose to establish an annual scholarship are asked to start with an minimum contribution of $1000. After the fund is initially established, scholarships are awarded as contributions are received. Earnings do not accrue. For annual scholarship awards, all available funds are distributed each year and are awarded based on availability of funds. The chapter may choose to give one large scholarship or several smaller ones. Regardless of how a scholarship is funded, arrangements must be made through the MSU Foundation and the Office of Admissions and Scholarships.

All scholarships initiated through the MSU Foundation with the establishment of guidelines must be awarded through the Office of Admissions and Scholarships. The selection criteria and award amounts are designated by the chapter and a copy of the guidelines are held by the MSU Foundation, the Office of Admissions and Scholarships, and the chapter.

Chapter Recognition Program

Purpose: The Chapter Recognition Program was developed to encourage and promote leadership, chapter membership and chapter activities.

Chapters must complete and return the Chapter Recognition Form, which details all the chapter activities that took place over the past year, by the December deadline to be considered for honor chapter status and vie for the top awards.

Award Categories: Each chapter will be categorized according to potential alumni in the chapter area. Awards will be presented to the top three chapters in each category, according to the Honor Chapter Point System. The categories are as follows:

Category I: In-State Chapter, membership of 1 to 324.
Category II: In-State Chapter, membership of 325 to 749.
Category III: In-State Chapter, membership of 750 and above.
Category IV: Out-of-State Chapters.

Points: The following rating system is used to determine the most outstanding chapters. Special recognition, along with appropriate awards, will be given to these chapters at the Alumni Awards Banquet. Recognition and appropriate awards will be given to all chapters which accumulate a minimum of 400 points.

Points are calculated based on membership and chapter activities as listed in the following categories:

Dear MSU Alumni Chapter leader,

Thank you so much for being an important part of your local alumni chapter! You are truly the foundation of our MSU Alumni Association. Mississippi State would not be as successful without your service, particularly in hosting events, recruiting students, encouraging support of MSU programs and representing the Bulldog family across the nation. **While all this of this is important, please do not forget the significance of your personal financial contribution.**

As our university seeks its place among America’s best universities, a comprehensive capital campaign will further our reach. *Infinite Impact: The Mississippi State University Campaign* is gaining momentum. This multi-year endeavor will further establish our land-grant institution as a driving force in areas that are crucial to the future of our nation and the world. *Infinite Impact* isn’t just about numbers. Rather, our focus is on preparing a rising generation of leaders who will help solve problems in pressing areas such as literacy, food safety, homeland security, conservation, and environmental sustainability.

Our alumni and friends contribute to Mississippi State University for many different reasons at many different levels. Some give because of the fond memories they have from MSU. Others know their support not only enhances the experience for current and future bulldogs, but also increases the value of their degree. Still, others give because they realize private donors helped to support their education, and they feel a duty and desire to support current students. Regardless of your reason, what really matters is that you give. **There is no better way to invest in the university’s future.**

**Together we are making Mississippi State and the State of Mississippi better!** Thank you for your support.

Sincerely,

Asya Cooley

University Trademark Licensing Program

Mississippi State University administers a licensing program for University trademarks. The objective of the program is to protect and control the utilization of the University name, seal, logos, slogans, and emblems, and to aggressively encourage the proper use of these trademarks to promote and reflect favorably on the University and to produce revenue for its benefit.

In January 2006, Mississippi State University entered into a relationship with the Licensing Resource Group (LRG), a trademark management company based in Holland, Michigan. LRG is the industry leader in providing complete trademark and brand management services to universities nationwide and will assist the University in the day-to-day management of its trademark licensing program, as well as create unique strategies that will increase the strength of the Mississippi State brand.

If an alumni chapter wishes to create merchandise with a University trademark to use as give-a-ways or sell as a fundraiser, a licensed vendor MUST be used in all situations. All artwork must be submitted through LRG’s website (licensed vendors know the process).

The MSU Licensing Office will continue to have a high level of involvement in the program and will be involved in key decisions that determine the future direction of both the trademark licensing program and the University’s brand. The Licensing Office may be contacted by calling 662-325-2525.
