Each chapter is eligible to request a chapter rebate for the 2025 calendar year. This rebate is at the rate of \$1.00 for each active member of your chapter who donates \$35 or more through the MSU Foundation or the Bulldog Club during calendar year 2025. Maximum rebate amount is \$1000.

To be eligible, the following criteria **must be met:**

- Officers listed for the chapter and on file with the Chapters Program staff.
- Officers that are listed are active members for 2025.
- Chapter hosted at least one event/activity in 2025.
- Chapter has a state tax ID number. If not, one must be applied for and received.
- Rebate request below must be **signed and returned by Friday, December 12, 2025**.

Once the above criteria is verified by the Chapters Program staff, the rebate will be processed and ***transferred to the chapter's Advancement Fund in the Foundation*** in February 2026.

All chapter officers whose names and officer titles were provided to the Alumni Association (via the 2025 chapter officer form or an update) must be active members of the Alumni Association for calendar year 2025. If there was a change in officers, please make sure the Alumni Association is aware.

Check with your officers to make sure they have made a gift to MSU in calendar year 2025. If not, they have until December 31 to make a gift. www.MSUFoundation.com
